FAQS

Can I hire the whole venue?

During peak season we do not hire out the whole venue. In off peak, we occasionally hire the whole venue on request. Generally, our maximum function capacity is 50 guests.

What if I have more than 50 guests?

Send your enquiry through! We have multiple sister venues that can host functions of up to 250 people. We're sure we can find the right space for your celebration.

During off-peak season we can also accommodate 75 guests by combining the front bar and concrete bench. This option is not available from Oct to March.

How long do I have the space for?

With the exception of exclusive venue hire and The Bench, each function space is available for 4.5hours. The Bench is available for 3 hour sitting times.
